Re: Fort Wayne, IN
Water Works Improvements
Wash Water Retention Basin
Contract 77-W-1

Dear Mr. Stanczak:

Enclosed are seven (7) copies of Change Order No. 2, to the above contract with Hagermann Construction Corporation. This change order covers the raising of the centerline elevation of the 12-inch washwater return line to give additional head room beneath and is a total addition to the contract of $372.

We have reviewed the contractor's quotation for this work and feel it to be reasonable. We recommend approval of this change order. Please review this change order and if you approve, sign in the appropriate space and process through the other City Departments as necessary. When the change order is approved by all parties, return two signed copies to this office, send one signed copy to the contractor and retain the remaining copies for your use.

Very truly yours,

McNAMEE, PORTER AND SEELEY

BULLETIN NO 2

TENT: This is not a change order. This is a request to the Contractor for a detailed price breakdown of proposed changes in the work.

OPOSED CHANGES:

1. Raise centerline elevation of 12-inch washwater return line from 767.00 to approximately 767.75 (final elevation to be determined in the field). The line for which the change is being proposed is along the south wall of the Blower and Carball Room of the Existing Control Building from the east side of the room to the point where the 12-inch line enters the secondary floculation influent flume including the 12-inch line in the flume.

ASON FOR CHANGE:

1. To provide greater headroom below the pipe to the floor of the Blower and Carball Room

is requested that the spaces provided for the change in contract amount, ignature and date be filled in and (1) copy returned to this office. A otation, showing the Bulletin # and the detailed cost setting forth the eakdown of labor, material and markup, is to be attached to each copy of e Bulletin, showing the addition, credit or no charge for each item.
